Annex A

Rules for Keeping Pets in SFA:

- The name and address of the owner must be inscribed on the pet's collar'.
- The License is responsible for keeping the pet(s) under control at all times.
- The pet(s) must be prevented from causing nuisance, including barking and fouling footpaths.
- The owner/License must comply with the Dangerous Dogs Act 1991 if applying to keep a dog(s). The act lists the following dogs as dangerous;
 - i. Pit-Bull Terrier
 - ii. Japanese Tosa
 - iii. Dogo Argentino
 - iv. Fila Brasileiro
- Dogs are not permitted in Children's Play areas.
- The Licensee is to ensure that pet(s) do not damage the fabric of the building, spoil the make-up of the garden area or cause damage to perimeter fencing/boarding.
- Permission will only be considered for the pet(s) listed in the form below. Permission must be sought on an individual basis should further pets be acquired.
- The Licensee is to notify Pinnacle if there is any change to the information provided.
- The Licensee must ensure that carpets, floor coverings, fixtures and fittings are left clean and free of infestation and make good gardens spoilt by animals prior to move out of SFA. Failure to do so may result in charges being raised against the individual.

Pinnacle retain the right to revoke permission to keep a pet(s) should any of the above rules be contravened, in accordance with JSP 464 Chapter 7. If for any reason, permission to keep a pet is revoked, the owner / licensee is to make arrangements for the animal(s) to be re housed within 2 weeks of written notification being received.
